

AAA - IAARF Discounted Collaborative Membership

The AAA has about 6,000 members across 100+ countries. There are various advantages of taking AAA membership. Some of them are:

- 1. **Centre for Advancing Accounting Education:** The AAA offers a wide range of educational opportunities for its members. These include access to many webinars (free to members) on teaching strategies and best practices, access to teaching resources on the AAA website, teaching conferences at mid-year meetings. It also hosts workshops on current issues in accounting.
- 2. **Special Interest Sections:** The AAA offers members the opportunity to exchange expertise in 17 Special Interest Sections (including the International Accounting Section) as well as the opportunity to gather at yearly Meetings and Conferences. Section Membership is optional and available for nominal additional fee to all AAA Members. Most Sections have Journals where members have their research published.
- 3. **AAA Journals and Digital Libraries:** Membership includes an electronic subscription for all three online Journals, The Accounting Review, Accounting Horizons, Issues in Accounting Education and the 14 Section online journals. All electronic journals are searchable and downloadable through the Digital Library. Members have complimentary online access to prior years of additional content.

In 2024 Prof. Mark Taylor, the then President of the AAA, came to Kolkata to attend the 16th International Conference of the IAARF held in Science City (Mini Auditorium). Dr. R. P. Banerjee, the then Vice-President (Academic) of IAARF, arranged the tour of Prof. Mark Taylor.

Prof. B. Banerjee, the then President of the IAARF, after the Keynote Address of **Prof. Mark Taylor**, raised the issue of collaborative discounted membership of AAA. This was followed up during the AAA Meeting held in Washington D.C. in August 2024 and finally after the AAA Annual Meeting a decision was taken by the Council of AAA in favour of IAARF as follows:

Full membership	\$345	for IAARF Members	\$75
Two Year College	\$120	for IAARF Members	\$40
Retired	\$100	for IAARF Members	\$30

In March 2026 the Council of the AAA further revised the “deeply discounted rates” and **Mrs. Barbara Gutierrez**, the Governance Manager of AAA, prepared a Flyer of membership for members of the IAARF which is shown on the next page.

**American
Accounting
Association**
